

This is Ms. Susan from the Shorewood Public Library. I see you have come back for week 2 of ArtCart at home. Hope you all are doing well and having some fun while enjoying the nice weather. I thought I would bring you another great, creative activity you can make and enjoy right from home. You may need a bit of help from the other people in your house, but I know you should all have the supplies to get you started. Just save the cardboard rolls from the toilet paper and when you have a few you can make this fun game. Ask others to play along for more fun and silliness. Let me know what your score was and come back to see me next week, for another activity idea.

- 1-Save some empty toilet paper rolls in a bag until you have a few to make a fun game.
- 2-Decorate the cardboard rolls with paper, wrapping paper, tin foil, crayons, or other materials. Add your pictures to the rolls to score bonus points. Write numbers on the rolls for points.
- 3-Get an extra piece of paper and roll it into a ball. You can put coins or something else in the middle to add weight.
- 4-Set the cardboard rolls up in a pattern on the floor and “away you go”. You are ArtCart bowling!
- 5-For extra fun, make a scoreboard on a piece of paper, write down the points and see who can roll the highest score. (Maybe the one with the lowest score has to do the dishes or take out the garbage)

Have fun, be well! Ms. Susan
