

Meeting Room Use Policy

The Village Center public meeting rooms are intended for use by non-profit organizations, community and neighborhood groups and educational and cultural institutions holding public/open meetings or events. All groups approved to use a Village Center public meeting room are subject to these regulations. All meetings must end and attendees must leave the building before the library closes.

The Library Board subscribes to the American Library Association's Library Bill of Rights which states in part, "Libraries which make exhibit spaces and meeting rooms available to the public they serve should make facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use."

The Village Center public meeting rooms may be used by the following groups and in this order of priority:

- The Village Board
- The Library for library-sponsored activities
- Village Committees and Departments to carry on functions relating to the government and/or health, education, safety, culture and general welfare of the citizens of the Village of Shorewood
- Shorewood community and school groups
- Non-profit organizations, community and neighborhood groups

Groups other than Village of Shorewood departments may only use the meeting space twice per month. Special events, other than those held by Village of Shorewood departments, requiring use of the room for a full day or multiple days in a row requires **one week advance notice** and express **permission authorized and approved by the Library Director**, in consultation with the Senior Resource Center when applicable.

The Library Administration reserves the right to adjust and to rearrange meeting room schedules and room assignments as the Library/Village requirements demand. **The Library reserves the right to refuse a request with less than 48 hours' notice.**

Groups permitted to use the rooms will be subject to the following rules:

- The event **must** be open to the public. No admission fee may be charged nor may a collection be taken.
- Meeting rooms may not be used for commercial demonstrations or sales promotions of products or services. The use of the meeting room shall not result in financial gain to the community room user or the organization.
- Fundraising events are not allowed unless they are co-sponsored by the Library or the Village.
- Social functions or personal/family activities including family reunions, showers, birthday or other celebrations are prohibited.

SHOREWOOD PUBLIC LIBRARY
PRIVACY OF LIBRARY RECORDS AND LIBRARY USE

- Groups of young people under eighteen must have the meeting room application completed by an adult and an adult must be present at the meeting.
- A responsible person from the group will alert the library staff to open the facility and must notify the library staff when the event is over so the room can be locked.
- Groups are financially responsible for any damage, missing items, or cleaning beyond what is normally done.

Granting permission to use the Village Center does not constitute endorsement by the Library or Village of the group or its activities.

The location of the event in any publicity must be listed as the "Shorewood Village Center." Since the Library is separate from the Village Center meeting rooms, the Library should not be mentioned in any publicity. In order to establish the fact that the Village and the Library are not sponsoring the event, all publicity must contain the following statement:

"Sponsored by (name of the organization booking the room)"

An organization may not use the name and address of the Library or Village Center as its headquarters or as the official address of the organization.

Set up and Equipment:

Staff will not set up the room. Chairs and tables are available for groups to set up themselves to meet their needs. The furniture is to be returned to the designated set up at the conclusion of the event, including putting away additional chairs and tables. There are signs posted indicating the number of chairs and tables to be left in the room, and the way in which furniture should be arranged. Groups should alert Library staff if the room is found to be in disarray upon arrival.

- If audio/visual equipment is requested, the person reserving the room should make arrangements ahead of time to learn how to use the equipment if desired. Staff may not be available for assistance on the requested reservation date.
- Food and beverages may be served with permission. Alcoholic beverages or smoking are not permitted.
- Neither the Library nor the Village of Shorewood is responsible for the equipment, materials or property brought to the room by the group or its members.
- Library staff should be notified of any emergency, accident, or unusual occurrence.
- The Library Director is authorized to deny permission to any group that is disorderly or has violated any regulations.
